Nature's Specialties

The Nature Specialties oathromatherapy shampoo line is an additional step in pampering our hairy friends. Aromatherapy combined with a cleansing formula that has antibacterial and antifungal properties.

Restores shine and restores health to the pet's coat pets, while relieving stress.

Nature's reliable ingredients

Contains: non-toxic, biodegradable blend in proprietary mild shampoo base, oat grain derivative, essential oils of chamomile and lavender, aloe vera, panthenol, vitamins A, D and E, fragrance, pH balanced.

Every dog should go for a walk every day with a comfortable leash

Going for a walk is one of the most important events in every dog's day. During the walk, the dogs defecate, it provides them with physical exercise, mental stimulation and the opportunity to find out what is happening in the neighborhood.

Regular walks go out to serve dogs to be physically active and mentally motivated to think appropriate to dogs.

It is for these reasons that OUR LEADS are ideal for your dog, providing comfort as well as an outstanding appearance.
